

## ***Membership Renewals.***

We have retained the membership fees for 2017 at the same rate as 2016

For the Youth, Nipper and Limpets, we have amalgamated the club membership and training fees, but to reduce the impact of a large post-Christmas payment are offering the opportunity to pay by bank standing order 10 monthly amounts, starting in January 2017.

Youth and Nipper will be £120.00, ten payments of £12.00, and Limpets £80.00, ten payments of £8.00. (The Limpet fee does not include SLSGB membership, this will be an additional £25.00)

Summer only membership (NO pool training sessions) will £65.00. Limpets £30.00. Seniors and Masters will be a one off payment of £60.00., but will need to pay for any training sessions that they attend.

A standing order form is attached, as well as a club membership renewal form, please return the renewal form to me, and pass the standing order to your bank.

If you have any new members in your family wishing to join, please let me know and will forward a SLSGB form as well.

Please bear in mind the following statement endorsed at the 2014 AGM

All families with children 16 and under must have at least one adult member, the minimum of a social member at £35 (waived for first time member families in their first year of membership). This membership will include full SLSGB insurance (so that parents, with the correct training, will be insured to help in the sea).

All adult members will be offered a free DBS check, will have access to safeguarding training.

All full members will have access to club equipment for training.
